South Creole Field  
Cameron Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made on behalf of **JORDAN OIL COMPANY**, for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of an order pertaining to the following matters relating to the 11,100' Sand, Reservoir A, in the South Creole Field, Cameron Parish, Louisiana, for which rules and regulations were established and a drilling and production unit was created for the exploration for and production of gas and condensate by Office of Conservation Order No. 1179-B-1, said unit designated 11100 RA SUA:

1. To permit the applicant to drill, designate and utilize its Jordan Oil Company – Margie Nunez Dimas Family, LLC, et al (Rutherford Estate Trust) No. 1 Well as an alternate unit well for the 11100 RA SUA, in the South Creole Field, Cameron Parish, Louisiana, said well to be at the location shown on the plat attached hereto and made a part hereof, in exception to the spacing provisions of Office of Conservation Order No. 1179-B-1 and Statewide Order No. 29-E;
2. To find that this well is necessary to efficiently and economically drain a portion of the reservoir covered by the unit which cannot be so drained by any existing well within such unit;
3. To confirm Jordan Oil Company as the operator of the 11100 RA SUA;
4. To permit the operator to produce the unit allowable from the existing unit well, the proposed alternate unit well or from both, at the discretion of the operator;
5. Except to the extent herein designated, to continue in full force and effect the provisions of Office of Conservation Order No. 1179-B-1 and the unit created thereby; and
6. To consider such other matters as may be pertinent.

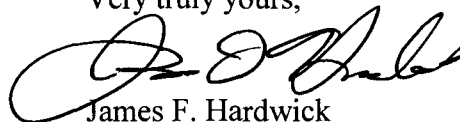

The 11,100' Sand, Reservoir A, in the South Creole Field, Cameron Parish, Louisiana, was previously defined in Office of Conservation Order No. 1179-B, effective December 16, 2003.

The applicant is requesting permission to drill, designate and utilize the Jordan Oil Company – Margie Nunez Dimas Family, LLC, et al (Rutherford Estate Trust) No. 1 Well as alternate unit well for the 11100 RA SUA. This well will permit efficient and economic recovery of hydrocarbons underlying the unit and is needed to satisfy the market demand for gas and condensate from the field.

Any pertinent data relating to this matter may be obtained **AT THE COST OF THE REQUESTING PARTY** from James F. Hardwick & Associates, 1101 S. Hugh Wallis Road, Suite 101, Lafayette, Louisiana 70508, Telephone Number (337) 232-7756.

Attached hereto and made a part hereof is a plat outlining the applicant's proposal, showing the location of the proposed alternate unit well, along with a list of the names and addresses of the Interested Owners, Represented Parties, and Interested Parties to whom a copy of this application is being mailed.
